No. WD76105

Labor and Industrial Relations Commission

Before Division One: Cynthia L. Martin, Presiding Judge, Mark D. Pfeiffer, Judge and Karen King Mitchell, Judge

Joseph H. Sanders appeals the decision of the Labor and Industrial Relations Commission dismissing his application for review because it was not timely filed. On appeal, Sanders challenges the underlying decision of the Appeals Tribunal that he was discharged from employment due to misconduct, making him ineligible for benefits. Because our appellate review is limited to issues determined by the Commission, and because Sanders does not challenge the Commission's dismissal of his application for review as untimely, Sanders has not preserved any issue for appellate review.
